

# PharmaCentrix

POWERED BY  Entoura

Designed by pharmacists with you in mind, PharmaCentrix formulations were created to harness the full power of hemp. Our CBD products are guaranteed to be safe and effective to benefit your health and wellness, without the unintended consequences of traditional treatments. Forget confusing, ineffective products and experience the power of innovation, through science.

## rest & sleep

Formulated for long, restful nights of sleep, our **Ultra-Full Spectrum** tincture combines the proven efficacy of CBD, with the added benefit of CBN to amplify its sedative profile.

## calm & peace

PharmaCentrix formulated our C&P **Ultra-Full Spectrum** tincture for daily use to help begin your day calmly and with a smile.

## soothe & relief

Our sooth and relief topical is specifically formulated to target joint and muscle pain.
