

Patient /// PM gummies

Our **Full Spectrum PM gummies** are designed to provide a delicious and effective way to enhance your rest and sleep. Simply take our gummies 2 to 4 hours before bedtime to enjoy a full night of rest. The combination of **CBD, THC, and minor cannabinoids**, including **high amounts of CBN** work together to promote relaxation, helping you to sleep and wake up feeling refreshed.

Each Gummy Contains 25mg Ultra Full Spectrum Hemp Extract Including:

SUGGESTED USE:

Chew 1 gummy slowly.

STORAGE:

Store at room temperature between 68F and 77F.

SPECIFICATION:

- 30 Gummies per container
- Available in three delicious flavors: **Tangerine, Mango, Strawberry**
- Proprietary Ultra Full Spectrum Extract
- Minimally processed to retain all benefits of hemp
- Third party tested by DEA certified, ISO-accredited laboratories

TANGERINE

MANGO

STRAWBERRY

CBD	15 MG
CBN	3 MG
THC	0.5 MG

All PharmaCentrix products are formulated to enhance the function of the Endocannabinoid System (ECS). This complex system collaborates with the Central Nervous System to regulate critical functions such as immunity, pain, sleep, mood, memory, appetite, and inflammation. Remarkably, the ECS continues to operate in your body, regardless of cannabis use. Our products are specifically designed to optimize ECS functionality, promoting overall well-being.

THIS PRODUCT CONTAINS FEDERALLY ALLOWED TRACE AMOUNTS OF THC (LESS THAN 0.3% WEIGHT)

Patient /// PM gummies

For those who prefer a THC-free alternative, we also offer our **Broad Spectrum PM Gummies**. These gummies are nearly identical to our Full Spectrum version, with one key difference – **they do not contain detectable amounts of THC**. Whether you choose our Full Spectrum or Broad Spectrum PM Gummies, your path to restful sleep awaits!

Each Gummy Contains 25mg Ultra Broad Spectrum Hemp Extract Including:

SUGGESTED USE:

Chew 1 gummy slowly.

STORAGE:

Store at room temperature between 68F and 77F.

SPECIFICATION:

- 30 Gummies per container
- Available in three delicious flavors: **Tangerine, Mango, Strawberry**
- Proprietary Ultra Broad Spectrum Extract
- Minimally processed to retain all benefits of hemp
- Third party tested by DEA certified, ISO-accredited laboratories
